A dedicated team of academic staff and support staff are trained every year and the team works tirelessly to ensure effective implementation of all programmes every academic year.

The Management and Staff wholeheartedly appreciate the support extended by the parent fraternity in all our endeavors. We have managed to establish and maintain a strong parent-school connect by sharing information through circulars, newsletters, Parent App, mails, calls and diary notes. We will keep this connect strong by sharing all the proceedings at school.

Assessments are an integral part of every teaching- learning process. So, please prepare your wards for tests and exams conducted periodically and track his/ her performance. For monitoring the same, we would urge you to attend parent-teacher meetings at school and support us by considering the feedback seriously and working on it. Collectively, we can contribute and influence the development of the child at school.

While wishing the children all the best for the year ahead, I welcome you to RYAN EDUNATION School family and look forward to working with each one of you! Let us work together to make the best things happen to our children!

I sincerely wish that the time spent in school will be a positive experience for your children and prepares them to face the challenges they encounter in the course of their lives and handle them well.

Thank You,

Warm Regards

Dr. Baharul Islam
